Progress Report

Project Title: Capstone Management System

Week No. 4

Inclusive Dates: April 15, 2024

Proponents: 1. Barit, Christian 2. Encomienda, Carlos 3. Gudito, John Emerson 4. Mojica, Nicholas Ian	Signature: 	Reviewed by: (Signature over printed name) Date reviewed: Apr 16, 2024
---	-----------------------------------	--

Activity	Progress Report	Date	Progress Status
F1. Connection to database on Login and Sign-up page	<p>Current Progress:—</p> <ul style="list-style-type: none">• The log in and registration are functioning.• The pop up no longer directs to a different window.• Error Checking, Unit Testing has been done.• Testing documentation has been completed. <p>Challenges and Issues:—</p> <ul style="list-style-type: none">• When you get the popup for registered email or password in register it changes back to login. <p>-</p>	<p>03/21/24</p> <p>—</p> <p>04/10/24</p>	Completed-

F4. Creating Module for Course Creation	<p>Current Progress:</p> <ul style="list-style-type: none"> Finished the layout and the functions of the UI The data in creating the course is now stored in the database, but it cannot be displayed for the students and professors only can see it. <p>Challenges and Issues:</p> <ul style="list-style-type: none"> Storing the data so the student's module for the class can see the created module and added. Missing script for it to be read in the database Still on hide 	03/31/24 – 04/15/24	70% completed
F5. Creating Course Module for Students	<p>Current Progress:</p> <ul style="list-style-type: none"> Finished the layout and UI and tried to connect between the professor and students. Still working on different approach for it to be read in the database by the system. <p>Challenges and Issues:</p> <ul style="list-style-type: none"> Different approach seems to be missing some parts because it cannot showcase the expected output. Still on hide 	04/02/24 – 04/15/24	40% completed
F6. Creating Group inside the course	<p>Current Progress:</p> <ul style="list-style-type: none"> UI done but needs improvement <p>Challenges and Issues:</p> <ul style="list-style-type: none"> Challenging to make it on time because course created are still not shown on the output due to missing code 	04/02/24- 04/15/24	Delayed
F7. Creating Requirement Repository Page	<p>Current Progress:</p> <ul style="list-style-type: none"> Finished the layout and UI for setting up requirements for students and prof <p>Challenges and Issues:</p> <ul style="list-style-type: none"> None so far 	04/08/24 – 04/15/24	30% completed
F8. Importing Rubric from APC AcademX	<p>Current Progress:</p> <ul style="list-style-type: none"> Finished the layout and UI for adding rubric for prof side <p>Challenges and Issues:</p>	04/08/24 – 04/15/24	Delayed

	<ul style="list-style-type: none"> • Course Create is still on hold • Waiting for APC AcademX 		
F9. Creating Notification	<p>Current Progress:</p> <ul style="list-style-type: none"> • Finished the layout and UI for the notifications. • Currently trying different approach to apply the notifications to our system. <p>Challenges and Issues:</p> <ul style="list-style-type: none"> • Waiting on the databases of the items that can be considered as a notification in our system. • Can't show if the current approach will show a notification. • Made a code on a different user level side • Decision making on whether we will make another table for the notification 	04/08/24 – 04/15/24	Delayed
F10. Creating editing profile module	<p>Current Progress:</p> <ul style="list-style-type: none"> • 80% of the layout and functions are finished. • Name and email are viewable depending on who logged in. • Can now log out. <p>Challenges and Issues:</p> <ul style="list-style-type: none"> • Still working on the layouts of css style 	04/02/24 – 04/15/24	90% completed
